Rodrigo performing "Love Is Embarrassing"

"Love Is Embarrassing" is a song by American singer-songwriter Olivia Rodrigo *(pictured)* from her second studio album, *Guts* (2023). A new wave song with influences of riot grrrl, pop rock, and pop-punk, it has self-deprecating lyrics in which she derides a crush and expresses embarrassment about her attraction to him. Rodrigo co-wrote the song with its producer, Dan Nigro. Music critics found the lyricism of "Love Is Embarrassing" relatable and praised the production and Rodrigo's vocals, both of which they also compared to other artists. The song reached the top 30 in Australia, Canada, Ireland, New Zealand, and the United States, and entered the charts in several other countries. It received a platinum certification in Australia, Brazil, and Canada. Rodrigo included the song on the set list of her 2024–2025 concert tour, the Guts World Tour. She suffered a wardrobe malfunction while performing the song during the London tour stop, which critics believed she handled well. ***(Full article...)***

Ayon kay Col. Percival Pineda, acting director ng Aurora Police Provincial Office, lumalabas sa medico-legal examination na asphyxia by drowning ang ikinasawi ni Baterbonia.
Batay sa imbestigasyon at ulat ng Ateneo, hanggang tuhod at baywang lamang umano ang lalim ng tubig sa pinaglanguyan nila, ngunit napunta sila sa bahagi ng dagat na biglang lumalim at hinampas ng malakas na alon.
Natagpuan sila pagkalipas ng 30 hanggang 40 minuto, limang dipa mula sa baybayin.
Batay sa mga affidavit ng mga nagbigay ng first aid, walang nakikitang foul play ang Aurora police sa insidente.

Ayon kay Rovelyn, ina ni Rene, naghahanap siya ng mas malinaw na paliwanag sa nangyari at naniniwalang may kulang pa sa mga paliwanag ng mga awtoridad.
"May kulang sa explanation nila. Pero, hintayin ko na lang muna 'yung ibang coaches para ma-explain nila sa akin kung ano talaga ang nangyari," ani Rovelyn.
"'Yung mga info, kulang and then kulang 'yung pagpahibalo sa parents," dagdag niya.
Sinabi naman ng University Athletic Association of the Philippines na hihintayin nito ang resulta ng imbestigasyon at nakikipag-ugnayan ito sa Philippine Sports Commission bago magpasya sa mga susunod na hakbang.

¡Yloilo, mi amor!

Cine Eagle, built in 1927 at the corner of J.M. Basa and Mapa Streets, was owned by Don Teodoro Benedicto, a prominent Iloilo socialite remembered for hosting lavish parties in both Iloilo City and Manila before World War II. Adjacent to Cine Eagle stood a building owned by Doña Emilia Saenz, which originally housed the Casino Español before the Spanish club transferred to its new headquarters in 1926.

FLOOD CONTROL CORRUPTION: HUWAG TAYONG M... more

FLOOD CONTROL TRAIL
A TIMELINE OF THE DUTERTE-ERA ROOTS OF THE CONTROVERSY
1
2016
DUTERTE ERA OPENS THE GATE
• Rodrigo Duterte takes office.
• Infrastructure spending surges, with flood control becoming a major part of public works.
• This is the period when the larger system behind the controversy begins to expand.
2
2016 ONWARDS
DISCAYA FLOOD-CONTROL WORK BEGINS
• In a Senate hearing, Sarah Discaya said their DPWH bidding began earlier, but their flood-control projects were from "2016 onwards po."
• This places the rise of their flood-control work squarely within the Duterte years.
3
2018-2019
ANDAYA FLAGS A MASSIVE BUDGET ISSUE
• Rolando Andaya Jr, publicly exposed an alleged ₱332B flood-control controversy.
• He cited ₱213B in 2017–2018 allocations and another ₱119B proposed for 2019.
• DBM, then led by Benjamin Diokno, denied facilitating any wrongdoing.
Not a conviction, but a major public budget controversy.
4
2019
PANGANDAMAN APPEARS IN THE BUDGET TRAIL
• DPWH employees reportedly testified that then DBM Undersecretary Amenah Pangandaman was involved in reformatting or encoding items tied to the questioned ₱75B DPWH insertions.
• DBM denied wrongdoing.
Public testimony placed her name inside the process, not outside.
5
2019-2020
NO FALL, ONLY MORE POWER
• Benjamin Diokno later became BSP Governor in 2019.
• Duterte himself said in 2020 that DPWH "reeks of corruption."
• Even with that admission, no major top-level accountability followed.
6
2021-POST-2022
THE MACHINE KEPT RUNNING
• Flood-control budgets remained high and projects kept moving.
• The Duterte administration ended without a major reckoning over the earlier issues.
• Later probes again raised ghost projects, substandard works, favored contractors, and suspicious bidding patterns.
The controversy did not appear from nowhere.
The public trail points backward.
SAFE
The trail did not begin with today's headlines.
Key names linked to the public record include Duterte, Diokno, Pangandaman, Andaya, and the Discaya group.
Any serious investigation must follow the money, the paperwork, and the decisions.

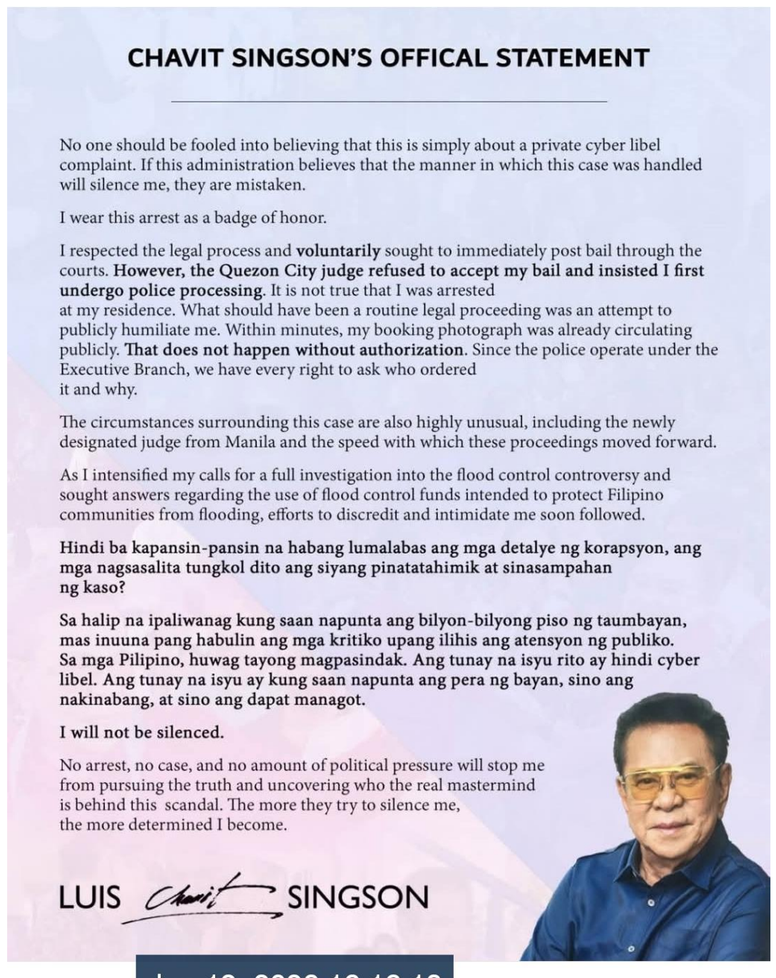
'I WILL NOT BE SILENCED'... more



CHAVIT SINGSON'S OFFICAL STATEMENT

No one should be fooled into believing that this is simply about a private cyber libel complaint. If this administration believes that the manner in which this case was handled will silence me, they are mistaken.

I wear this arrest as a badge of honor.

I respected the legal process and **voluntarily** sought to immediately post bail through the courts. **However, the Quezon City judge refused to accept my bail and insisted I first undergo police processing.** It is not true that I was arrested at my residence. What should have been a routine legal proceeding was an attempt to publicly humiliate me. Within minutes, my booking photograph was already circulating publicly. **That does not happen without authorization.** Since the police operate under the Executive Branch, we have every right to ask who ordered it and why.

The circumstances surrounding this case are also highly unusual, including the newly designated judge from Manila and the speed with which these proceedings moved forward.

As I intensified my calls for a full investigation into the flood control controversy and sought answers regarding the use of flood control funds intended to protect Filipino communities from flooding, efforts to discredit and intimidate me soon followed.

Hindi ba kapansin-pansin na habang lumalabas ang mga detalye ng korapsyon, ang mga nagsasalita tungkol dito ang siyang pinatatahimik at sinasampahan ng kaso?

Sa halip na ipaliwanag kung saan napunta ang bilyon-bilyong piso ng taumbayan, mas inuuna pang habulin ang mga kritiko upang ilihis ang atensyon ng publiko. Sa mga Pilipino, huwag tayong magpasindak. Ang tunay na isyu rito ay hindi cyber libel. Ang tunay na isyu ay kung saan napunta ang pera ng bayan, sino ang nakinabang, at sino ang dapat managot.

I will not be silenced.

No arrest, no case, and no amount of political pressure will stop me from pursuing the truth and uncovering who the real mastermind is behind this scandal. The more they try to silence me, the more determined I become.

LUIS Chavit SINGSON

Wala lang kamo kabalo, pwerte gid kalain sang buot ko. 27 points ang abanse sa 3rd quarter napyerde pa. Daw kanami i-maoy! Nagabukal ang dugo ko sa ka aburido. Gintodo ko ang akun pusta pati ang inugpa-enroll sang bata ko sa CPU! Anak ng karbaw nga wala sang unto sa ibabaw, todas gid. Indi ko anay magpuli sa balay kay basi kun ginaba-id na ni misis ang tigib. Budlay na ina ya nga himuon ya tuburan ang akun kilid.🥵🤣

Kun sumahon ang imu pyerde halin sa Game 1 tubtob Game 4 siguro pwede mo na maimpasan ang loan mo sa Card Bank. Laban, nakabakal ka na sang 2 ka sako nga bugas. Posible, baboy, karne, kasag kag isda nga lawayan ang unod sang imu ref. May balon ang imu bata sa eskwelahan kag nakabakal ka sang bag-o nga lipstick ni misis. Ang mapait kay ang pagsisi na sa bandang huli. Bugto na ang liog sang pato. Indi ta na mapabalik ang nakaligad. Daw istorya sang paghigugma, happy ka kay abi mo nakita mo na ang imu "the one." Apang nagsala ka, ang tawo nga imu ginsaligan, ginpalangga kag ginhatag ang tanan nya nga luyag nya isa gali ka manugtonto. Gapati ka nga may duha ka klase sang tawo sa kalibutan? Ang isa manugtunto kag isa tulontuhon.

Sa first quarter nagahara-hara gid si Brunson. Full charge ang battery ang pwersa nagabuso-buso. Daw si Bato nga pwerte ka isog. Pero paggwa sang iya warrant sa ICC dayun nagkuyampad.

Hambal nya kay Trillanes, "Go ahead! Make my day, Mr. Trillanes! Just keep talking about the ICC. Even come and handcuff me yourself if you want!" Ngak ngak ka ng ngak-ngak!😁

Ano natabo sa imu Wemby? Wala ka ka kaon? Sa diin ka nagpulaw? Kay sin-o ka namilasyon? Lantawa ang imu tira laban palhok. Kun indi sa board ang igu puklo sang ring naga-umpok.

Si OG Anunoby ya kalma lang. Wala ga panic kay wala nakulbaan. Kada pasulod nya sa buho may dala pa nga matam-is nga yuhum. Tam-is pa sa paho sang Guimaras. Ang iya bayhon daw si Joko Diaz kag ang bibig daw kay Aga Mulach.

Oh Jalen Brunson nga nahauna, ikaw ang amun pag-asa. Malouy ka, padag-a man ang Knicks kay ang akun kwarta last ko na lang ini nga pusta. Kanami sang kondisyon sang Knicks. Agressive, pagsik kag determinado. Bangud ang dapli preska nga tuhod sang karbaw halin slaughterhouse sa Barangay Tacas. May sinabawan nga ulo ka lapu-lapu, sinugba nga pantat, bam-i kag kinilaw nga buy-on ka tangigue.

Matyag ko, matyag ko lang, wala na sang team nga makasagang sa New York Knicks. Bisan pabalikon pa si Michael Jordan. Complete package ang lineup. Si Anthony rim protector, defender si Bridges, tirador sa tres si Hart, deadly sa perimeter shooting si Brunson kag slasher si Anonuby.

Ang Spurs daw bag-o lang mapaltak. Magdalagan gaigod mabug-at ang itlog. Uga nga sapsap ang sud-an kag ginaparesan sang kape nga matab-ang. Nge nge nyo eh!

When we look at the Philippine flag, we are looking at centuries of people who just refused to back down.

Our independence was not handed to us; it was paid for in pure resilience and a refusal to be silenced.

But freedom is not just a moment in the past; it is how we show up today.

It's in the way we protect our heritage, and loudly own our identity.

Every time we stand tall against the odds, we're keeping that fire burning.

We are the living, breathing proof that the Filipino spirit can never be contained.

We are our ancestors' wildest, freest dream.

STATEMENT OF SENATOR JINGGOY EJERCITO ESTRADA ON CLAIMS THAT HE CAN NO LONGER PARTICIPATE AS A SENATOR-JUDGE IN THE IMPEACHMENT TRIAL
I understand that the impending impeachment proceedings present complex legal questions, particularly in light of my current situation and the constitutional requirements governing the conviction or acquittal of an impeachable official. That is precisely why I am perplexed by the confidence with which some individuals have been making sweeping pronouncements that I can no longer sit, much less participate, as a senator-judge in the forthcoming impeachment trial.
The issue is far from settled.
First off, the proceedings concerning my suspension pendente lite—or suspension while litigation is pending—are still ongoing. Pursuant to the directive of the court, I have yet to file my comment and opposition and avail myself of the legal remedies available to me.

GMA NEWS
Until a final and binding ruling is rendered, any assertion that I have been stripped of my authority to discharge my constitutional duties as a senator-judge is premature, baseless, and undermines the integrity of the impeachment process itself. Those claiming otherwise display a troubling disregard for due process and the orderly administration of justice.
It is regrettable that some self-proclaimed legal experts appear more interested in shaping public opinion than in respecting the proper institutions and judicial processes tasked with resolving legal controversies. The rule of law demands restraint, discernment, and respect for due process—not speculation, conjecture, partisan rhetoric, or personal interpretations presented as settled legal truth.
Nakalimutan din yata ng ilan na minsan na rin akong nagsilbi bilang senator-judge sa isang impeachment trial. Batid ko ang mga umiiral na tuntunin, proseso, at responsibilidad na kaakibat ng paglilitis sa isang impeachable official.

"Sa ngalan mo, bumaba si Marcos sa puwesto niya"

LOOK: Supporters of former president Rodrigo Duterte staged a dramatic protest in front of the Senate building where they placed a coffin on Friday, June 12, 2026. The event comes amid the nationwide commemoration of the country's 128th Independence Day.

A protester was also seen holding a Bible in one hand with her arm stretched outward, shouting: "Sa ngalan mo, bumaba si Marcos sa puwesto niya," as she pleaded for divine intervention and called on President Ferdinand Marcos Jr. to resign from Malacañang.

Pictured here is the original San Vicente Ferrer Church of Leganes, completed in 1889 after fifteen years of construction that began in 1874 under the Augustinians.

Built of brick and tabique (wooden framing), it featured a graceful Neo-Classical façade distinguished by its semicircular arches, circular windows, and exposed red-brick walls.

For generations, this church was the center of the town's religious life and the home of the famed devotion to San Vicente Ferrer.

It was here that the tradition of the palapak flourished, in which a blessed image of the saint is gently touched to the heads of devotees while prayers are offered for healing, protection, and favors.

The devotion continues to attract thousands of pilgrims to Leganes each year.

The church seen in this photograph no longer exists in its original form. Damaged by a powerful typhoon in 1896, it suffered its greatest destruction during the 1948 Lady Caycay Earthquake, one of the most devastating earthquakes in Philippine history.

The church was subsequently rebuilt and expanded. While the present Archdiocesan Shrine of St. Vincent Ferrer stands on the same site, it bears little resemblance to the nineteenth-century structure shown here.

This photograph preserves a rare glimpse of old Leganes—a church that witnessed the town's growth, nurtured one of Panay's most enduring religious devotions, and stood at the heart of Ilonggo faith for generations.

SEN. TULFO, ITINANGGI ANG KWENTO NA 'VIP' SIYA NG ILANG MGA KABABAIHAN

Itinanggi ni Senador Erwin Tulfo ang mga paratang ng ilan sa mga miyembro ng 18 'ex-marines' na siya ay namimili ng iba't ibang babae na nangyari sa ilang mga hotel.

Ayon kay Tulfo, labag sa kanyang pananampalataya sa Panginoon ang mambabae lalo at magtaksil sa kanyang asawa na mahal na mahal umano niya.

Ipinaliwanag din ni Tulfo na maituturing niya ang kanyang sarili na 'family man' kaya't imposible na siya ay nambababae.

"I cannot do that and then I am a prayerful person," ani Tulfo.

Enjoy mo lang ang course. Life is short. Bahala na kung magba-bar o hindi. Huwag masyadong magpapadala sa pressure ng buhay. It's nice to document everything, para maka-inspire din ng ibang tao. Bawal ang sobrang pressure... baka mabaliw tayo. Smile lang, champaka! Life is short. Yan talaga ang isa sa pinakamahalagang natutunan ko sa buhay... enjoy the journey, do your best, and don't forget to live.

WATCH: As the country marked its 128th Independence Day, Annalyn Navarro, a 61-year-old street sweeper in Manila said she hopes Filipinos will one day be free from corruption and those who steal from the public.

“Para guminhawa na ang buhay ng mahihirap. Puro na lang mayayaman ang nagnanakaw sa kayamanan ng taumbayan,” Navarro said. .

She added that ordinary Filipinos continue to bear the burden of poverty while public resources meant for the people are lost to corruption. @newswatchplusph

China is quietly winning a war against the US that most people don't even realise has started.

They've been playing a long game with 5 moves.

And they're already on move 4.

Elon Musk, the world's richest person, retweeting the Pope.

Elon Musk reposted

Pope Leo XIV @Pontifex — X.com

The beauty of the Basilica of the Sagrada Familia inspires us to learn ever more from our Master and Lord the art of living according to His Gospel. As we lift our gaze toward Him, the Crucified and Risen One, let us commit ourselves to lift up those who lie in the dust (cf. 1 Sam 2:8). Let us show in this way that the Sagrada Familia is the tallest church in the world, not so as to stand out in worldly rankings, but rather to guide the steps of the people of God, with the Cross illuminating their path, like a lamp burning brightly as we await the return of the Bridegroom. #ApostolicJourney #Spain vatican.va/content/leo-xi...

FLOOD CONTROL CORRUPTION: HUWAG TAYONG MAGPA-AMNESIA SA ... See more

FLOOD CONTROL TRAIL
A TIMELINE OF THE DUTERTE-ERA ROOTS OF THE CONTROVERSY
1
2016
DUTERTE ERA OPENS THE GATE
• Rodrigo Duterte takes office.
• Infrastructure spending surges, with flood control becoming a major part of public works.
• This is the period when the larger system behind the controversy begins to expand.
2
2016 ONWARDS
DISCAYA FLOOD-CONTROL WORK BEGINS
• In a Senate hearing, Sarah Discaya said their DPWH bidding began earlier, but their flood-control projects were from "2016 onwards po."
• This places the rise of their flood-control work squarely within the Duterte years.
3
2018–2019
ANDAYA FLAGS A MASSIVE BUDGET ISSUE
• Rolando Andaya Jr, publicly exposed an alleged ₱332B flood-control controversy.
• He cited ₱213B in 2017–2018 allocations and another ₱119B proposed for 2019.
• DBM, then led by Benjamin Diokno, denied facilitating any wrongdoing.
Not a conviction, but a major public budget controversy.
4
2019
PANGANDAMAN APPEARS IN THE BUDGET TRAIL
• DPWH employees reportedly testified that then DBM Undersecretary Amenah Pangandaman was involved in reformatting or encoding items tied to the questioned ₱75B DPWH insertions.
• DBM denied wrongdoing.
Public testimony placed her name inside the process, not outside.
5
2019–2020
NO FALL, ONLY MORE POWER
• Benjamin Diokno later became BSP Governor in 2019.
• Duterte himself said in 2020 that DPWH "reeks of corruption."
• Even with that admission, no major top-level accountability followed.
6
2021–POST-2022
THE MACHINE KEPT RUNNING
• Flood-control budgets remained high and projects kept moving.
• The Duterte administration ended without a major reckoning over the earlier issues.
• Later probes again raised ghost projects, substandard works, favored contractors, and suspicious bidding patterns.
• The controversy did not appear from nowhere. The public trail points backward.
SAFE
The trail did not begin with today's headlines.
Key names linked to the public record include Duterte, Diokno, Pangandaman, Andaya, and the Discaya group.
Any serious investigation must follow the money, the paperwork, and the decisions.
